What happened?:

The owner of the Lithonia Housing Authority said they do not have to comply with ADA ACT and Fair Housing Act accommodations to house within 24-48 hours after taking my \$50. The owner and Mr. King are very rude. The owner said they can do whatever they want and it shows. The need to upgrade the heating systems to prevent deaths. They need to clean up the outside of the property. The complex also has drunks and junkies hanging out in the front of one location. Gun shells are everywhere on the front of the property. Cats and dogs are living in the properties and all outside the property. I was told by Charlotte that I am next in line and I would be up for apartment #8. I should have recieved relocation act funds dated all the way back to 2017.
